Information You Have Given Us

In deciding to accept this **policy** and in setting the terms including premium **we** have relied on the information which **you** have provided to **us**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- (a) treat this **policy** as if it never existed;
- (b) decline all claims; and
- (c) retain the premium.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- (i) treat this **policy** as if it had never existed, refuse to pay all claims and return the premium **you** have paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
- (ii) treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- (1) give **you** thirty (30) days' notice that **we** are terminating this **policy**; or

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **period of insurance**.

Change in Circumstances

You must tell **us** within fourteen (14) days of **you** becoming aware of any changes in the information **you** have provided to **us** which happens before or during any **period of insurance**.

When **we** are notified of a change **we** will tell **you** if this affects **your policy**. For example **we** may cancel **your policy** in accordance with the Cancellation and Cooling-Off Provisions, amend the terms of **your policy** or require **you** to pay more for **your** insurance. If **you** do not inform **us** about a change it may affect any claim **you** make or could result in **your** insurance being invalid.

We will cancel **your** insurance from the start of the **period of insurance** treating this **policy** as if it had never existed. **We** will refund any premium **you** have paid, provided that **you** have not made a claim. Any **policy** fee will be refunded to **you** and no cancellation fee will be charged.

4. Index Linking

We will increase **your buildings and contents sum insured** at each renewal according to the appropriate index.

For **your** protection, if either index falls below zero **we** will not reduce the **sum insured**. No charge is made for index linking during the **period of insurance** but at renewal **your** premium will be calculated on the adjusted **sum insured**.

5. Fraud Prevention (applies to all sections of this policy)

In order to protect the interests of **our** policyholders and to prevent and detect fraud, **we** may at any time:

- Share information about **you** with other organisations and public bodies including the Gardai
- Check and/or file **your** details with fraud prevention agencies and databases
- Undertake credit searches and additional fraud searches.

If **you** provide false or inaccurate information and fraud is identified, details will be passed to the fraud prevention agencies and databases to prevent fraud and money laundering.

We can supply on written request to **us** details of the databases **we** access or contribute to.

6. Assignment (applies to all sections of this policy)

You cannot transfer **your** interest in this **policy** to anyone else without **our** written agreement.

7. Other Insurance (applies to all sections of this policy)

We will not pay any claim if any loss, damage or liability covered under this insurance is also covered wholly or in part under any other insurance except in respect of any amount over which would have been covered under such other insurance had this insurance not been effected.

8. Sums Insured

You have an ongoing duty to ensure that **your sum insured** represents the full value of the property insured.

For **your buildings**, the full value is the cost of rebuilding by a professional third party contractor if **your buildings** were destroyed (this is not the same as the market value). It must be adequate to include **rebuilding expenses**.

Your sum insured for general **contents** must be the cost to replace as new.

Your sum insured for **precious metals** and **fine art and antiques** must reflect the current market value.

If, at the time of any loss or damage, the **sum insured** is not enough **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the **sum insured**.

For example, if the premium **you** have paid for **your buildings** insurance is equal to 75% of what **your** premium would have been if **your buildings sum insured** was enough to reconstruct **your buildings**, then **we** will pay up to 75% of any claim made by **you**.

9. Fraudulent Claims (applies to all sections of this policy)

If **you**, or anyone acting for **you**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement **we**:

- (a) will not be liable to pay the claim; and
- (b) may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- (c) may by notice to **you** treat this **policy** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise our right under (c) above:

- (i) **we** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this **policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- (ii) **we** need not return any of the premium paid.

10. Security of the Property

You must ensure that the following security protections are fitted and maintained in good working order throughout the **period of insurance**:

- Final exit doors must be secured by a mortice deadlock with at least 5 levers or a rim deadlock installed or, if the door(s) are UPVC or double glazed, a multi-point locking system with either a lever or built-in deadlocking cylinder
- All other external doors must be secured by a mortice deadlock or a deadlock or by a multi-point locking system with either a lever or built-in deadlocking cylinder or key-operated security bolts fitted internally to the top and bottom
- All opening sections of the basement, ground floor and easily accessible windows, fanlights and skylights to the **buildings** are secured by key-operated window locks.

11. Condition of Property

You must ensure that **you** notify **us** as soon as practicably possible should **you** become aware that the condition of the **property** has deteriorated by any means and/or the **property** has been subject to unlawful access or attempted unlawful access of any kind.

12. Chimney Maintenance

Where a chimney is present within the **property**, **you** must ensure it is swept by a professional chimney sweep on an annual basis. If **you** do not comply with this condition, **we** will not pay any claim for loss or damage which arises as a result.

Conditions that Apply to the Buildings Section Only

These additional conditions apply to 'Section 1 – Buildings' of **your policy** for Bronze, Silver and Gold levels of cover.

How we deal with your claim

1. If **your** claim for loss or damage is covered under section 1, **we** will at **our** option pay the costs of repairing or rebuilding as long as:
 - the **buildings** were in a good state of repair prior to the loss or damage and
 - the **sum insured** is enough to pay for the full cost of rebuilding the **buildings** in their present form and
 - the damage has been repaired or loss has been reinstated.
2. **We** will pay up to 50% of the cost of replacing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function but no more than the **buildings sum insured** shown on **your schedule**.

Your sum insured

If, at the time of any loss or damage, the **buildings sum insured** is not enough to reconstruct **your buildings** **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the **sum insured**.

For example, if the premium **you** have paid for **your buildings** insurance is equal to 75% of what **your** premium would have been if **your buildings sum insured** was enough to reconstruct **your buildings**, then **we** will pay up to 75% of any claim made by **you**.

Limit of insurance

We will not pay more than the **sum insured** less the **excess** for each **premises** shown on **your schedule**.

Conditions that Apply to the Contents Section Only

These additional conditions apply to 'Section 2 – Contents' of **your policy** for Bronze, Silver and Gold levels of cover.

How we deal with your claim

For total loss or destruction of any article **we** will pay **you** the cost of replacing the article as new, as long as:

- the new article is as close as possible to but not an improvement on the original article when it was new; and
- **you** have paid or **we** have authorised the cost of replacement.

The above basis of settlement will not apply to:

- clothes
- pedal cycles

where **we** will pay up to the value of the item at the time of loss or damage.

2. **We** will pay up to 50% of the cost of replacing any undamaged parts of the **contents** which form part of a pair, set, suite or part of a common design or function but no more than the **contents sum insured** shown on **your schedule**.

Your sum insured

If, at the time of any loss or damage, the **contents sum insured** is not enough to replace the entire **contents of your property** as new, **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the **sum insured**.

For example, if the premium **you** have paid for **your contents** insurance is equal to 75% of what **your** premium would have been if **your contents sum insured** was enough to replace the entire contents of **your property** as new, then **we** will pay up to 75% of any claim made by **you**.

Limit of insurance
